

**SINOPEC INTERNATIONAL PETROLEUM
SERVICES CO. (UGANDA) LTD**

FABRICATION AND SUPPLY OF MODULAR SKIDS IN TILENGA OIL FIELDS

Sinopec International Petroleum Services Co. (Uganda) Ltd is a partner in the oil and Gas development project in the Lake Albert region, Western Uganda. The company seeks to prequalify competent, local contracting firms for the Fabrication and supply of 198Pcs of Modular Skids for various process systems in the Tilenga Oil fields.

Interested firms with at least 5 years' experience in oil piping fabrication or similar works should provide scanned written application with certifications like Trading License, VAT to the email **TIP_EPSCC_S.osec@sinopec.com**. Suitable applicants will then be sent a pre-qualification form within 24hrs upon receiving the application.

The applicant should fill the prequalification document and resubmit it to the email **TIP_EPSCC_S.osec@sinopec.com** not Later than **22nd/August/2022**. Please note that late prequalification documents will not be considered.
