

# **Avanti**

## **Job Opportunities**

**Avanti Energy Services Limited (Avanti)** is a Ugandan national company, which engages in providing services to the upstream oil and gas production industry within Uganda. Avanti was awarded a contract by a major oil and gas drilling services company to source a large number of candidates to be employed as Pump men, Derrick men, Floormen, Roustabouts, Motormen, Casing Running leaders, Casing Tong Operators and Casing Tong Indicators.

Avanti is seeking Ugandan national qualified candidates to immediately apply for these positions. Candidates from the Albertine region are encouraged to apply. It is the target to receive all candidate CVs prior to **September 24, 2022**. Interested candidates should send their CVs in MS Word format including scanned images of their degrees or certificates indicating position of interest as subject to [kaerolyn@avantiesl.com](mailto:kaerolyn@avantiesl.com) and cc [cecily@avantiesl.com](mailto:cecily@avantiesl.com)
