## EXPRESSION OF INTEREST (EOI) FOR PROVISION OF SPECIALTY CHEMICALS AND/OR ASSOCIATED SERVICES

### REFERENCE: 10182752

TotalEnergies EP Uganda B.V (COMPANY) in its capacity as Operator of Contract Area (CA) 1 and License Area (LA) 2, in conjunction with its Joint Venture Partner(s), invite experienced and reputable contractors to express their interest in providing Specialty Chemicals and/or Associated Services for future oil production in respect of the Tilenga Project, Lake Albert Basin, Republic of Uganda.

#### General Field Development Description:

The Tilenga oil and associated gas development is located in the Northern area of Lake Albert in Uganda and covers the fields in CA-1 block and the Northern part of LA-2 block (Tilenga Project).

#### Specialty Chemicals Supply & Associated Services for the Operational Phase

The Scope of Work covers the regular provision of Specialty Chemicals and/or Associated Services in support of COMPANY Operations. Estimated annual volumes of chemicals: 4,000 - 8,000m<sup>3</sup>

The activities will include but not limited to:

#### Scope 1 - Specialty chemicals supply

- Procurement of Specialty Chemicals (Demulsifier, Corrosion Inhibitor, Anti-foam, Anti-Scale, Biocide, Reverse demulsifier, Flocculant & Coagulant) coming from various regions of the world from COMPANY's pre-qualified vendors list.

#### Scope 2 - Logistics & Storage

- Clearance & transportation of these chemicals to the contractor's storage area in Uganda.
- Maintain an adequate buffer storage at contractor's premises in Uganda. (Estimated Volume: 2,000 - 4,000m<sup>3</sup>)
- Recovering and recycling of contaminated empty tanks from Tilenga Industrial area and appropriate waste management.

#### Scope 3 - Other associated services

- Blending & conditioning (ready to use) of these chemicals to the Tilenga Industrial Area.
- Ensuring quality assurance mitigations are in place & quality checks of chemicals are performed.
- Chemicals ISO tank containers management (maintenance and inspection).

**Companies can express interest in any or all the scopes. Within your submission clearly indicate your scope(s) of interest.**

#### The selected contractor will be able to demonstrate the following abilities

- Experience in Oil & Gas Production Chemicals Management.
- Capability to manage a storage area of chemicals in Uganda.
- Emergency response in case of chemicals spills and intervention team capabilities.
- Ability to blend & condition chemicals.
- Ability to conduct quality control on chemicals, in compliance with good laboratory practices.
- Financial capability to internationally procure, transport and store chemicals in large quantities.
- Proof of ISO Certifications in ISO 9001,14001 & 45001.

**In addition to the above-mentioned technical capacity, the minimum requirements to participate in the Request For Information Process are:**

- Health Safety and Environment (HSE) Management system, Quality Policy and related procedures in compliance with local and international standards.
- Compliance to National and International laws and regulations.
- Demonstrated commitment to statutory National Content requirements for oil and gas operations as detailed in 2016 Upstream Petroleum Regulations.
- Current registration to or application to be registered to the National Supplier Database.
- In line with COMPANY's objective to maximize National Content, upon fulfilling other requirements for the scope of work, preference shall be given to a Ugandan company or as a minimum a company that has entered into a joint venture with a Ugandan company.

Interested companies who meet the above minimum requirements should submit a Company profile (including description of relevant company experience) by email to: **EP.FOPS.PREQUALIFICATION-UGEP@totalenergies.com** on or before **21<sup>st</sup> July 2022 Noon** Kampala time (GMT+3), quoting 'EOI for **REF. No 10182752** – SPECIALTY CHEMICALS SUPPLY & SERVICES.

Request For Information questionnaire(s) with submission instructions will be issued by email after the aforementioned EOI closing date to only interested companies meeting the above minimum requirements.

**Note: Only pre-qualified companies will receive invitations to submit bids during the call for tender process**
